

# Get Started with your AMS Trex™ Device Communicator in 5 Easy Steps!

1

If you're a new AMS Trex user, create an account at [www.emerson.com/trex](http://www.emerson.com/trex)

2

Sign into the AMS Trex Online Portal ([ecs.emersonprocess.com/ECSPortal](http://ecs.emersonprocess.com/ECSPortal)) using the account created in Step 1. From there, download and install Upgrade Studio.

3

Connect the AMS Trex unit via USB cable (included) to your computer.

4

Log into Upgrade Studio using the same account from Step 1.

5

Select Activate Units, select your connected AMS Trex unit and click Activate.
